To,
Purchase Executive(Head),

I hope this letter finds you well. My name is **Pritesh Shah** and I am the proprietor at **Vision Metalloys**. I am writing to introduce our company and explore potential opportunities for collaboration. I would like to introduce ourself as manufacturer, wholesaler, supplier and exporter of stainless steel, copper, brass, aluminium alloy, special alloys, tool steel, aerospace and defence grades. We are supplying our products to aerospace, defence, bio chemical, petrochemical, sugar, surgical, engineering companies. We believe confidence of customer can be acquired by providing timely delivery, competitive cost, consistency in quality. We wish to get associated with you. kindly send your requirements and procedure to get our self registered

****Who We Are:****

Vision Metalloys is a leading provider of high-quality metal alloys, specializing in the production and distribution of a wide range of steel, nickel, titanium, aluminum, and copper alloys. With decades of experience in the industry, we have established a reputation for excellence, reliability, and innovation. Our products are engineered to meet the highest industry standards, making them suitable for various applications across sectors such as aerospace, automotive, construction, and more.

****Our Commitment to Quality:****

At Vision Metalloys, quality is at the core of everything we do. We are **ISO 9001** and **AS9100D** certified and adhere to stringent quality control processes to ensure that every product that leaves our facility meets the highest standards of performance and durability. Our state-of-the-art manufacturing facilities and experienced team of professionals enable us to deliver customized solutions tailored to the specific needs of our clients.

****Why Partner with Vision Metalloys?:****

By choosing Vision Metalloys as your supplier, you gain access to:

- Superior quality materials that enhance the performance and longevity of your products.
- Competitive pricing and flexible delivery schedules.
- A dedicated team of experts ready to assist with technical support and custom solutions.

We are eager to discuss how Vision Metalloys can support your business needs and contribute to your success

VISION
METALLOYS

COMPANY PROFILE :-

Vision Metalloys is manufacturer, wholesaler, exporter & supplier of stainless steel, copper, copper, brass, aluminium alloy, special alloys. We are in this stainless steel business from past 27 years. we have manufacturing unit of steel. We keep ready stock of stainless steel angle, flat bar, round bar, pipes, (erw, electroplated and seamless), sheet, plate, fittings, channel, coil around 3000 tons. The manufacturing activities are carried out under the direct supervision of highly qualified and experienced technicians during every stage of production, therefore products manufactured by us are being well accepted and used by most of the national and multinational companies in india and abroad. We are also specialized in percentage items such as inconel, monel, titanium. We are mainly working with aerospace companies where these products are put to use. Now, we own 2 registered office, 2 warehouses, and 1 manufacturing plant. today we have a staff of 50 people. We are regularly exporting to middle-east, africa, u.a.e, saudi arabia, qatar, and latin america. We have international affiliates / agents in many of these countries. In a very short span of 5 years we have added a huge list of happy clients who have been associated with us. We have been serving our clients at noida, pune, bangalore, chennai, aurangabad, kerala, delhi & recently we have started our all over indian operations and we would like to add your esteem company to the never ending list. The vast and extensive list of services offered by us is all under one roof is to serve our clients with quality services. We provide complete pre-sales and after-sales service to our clients. We have a team of well trained engineers and technicians.

CERTIFICATIONS : WE ARE ISO 9001:2015 AND AS9100D CERTIFIED

M E T A L L O Y S

AIM :-

Our aim is to provide complete pre sales and after sales service tailored to the requirement of the client. Our approach is to understand the needs of the client then then offer solutions that meet those needs in a timely and economical manner, without compromising on quality. We have a team of well trained engineers and technicians who possess the technical knowhow and experience. Quality is at the heart of our business and we aim to get it right the first time so that the end customer does not have to waste time on returning back the goods for replacement.our aim is to achieve long term business relationship.
